- 4.2.1 the Supplier shall without limiting its other rights or remedies have the right to suspend performance of the Services until the Customer remedies the Customer Default, and to rely on the Customer Default to relieve it from the performance of any of its obligations to the extent the Customer Default prevents or delays the Supplier's performance of any of its obligations;
 - 4.2.2 the Supplier shall not be liable for any costs or losses sustained or incurred by the Customer arising directly or indirectly from the Supplier's failure or delay to perform any of its obligations as set out in this clause 4.2; and

- 6.6 Both the Supplier and the Customer will comply with all applicable requirements of the Data Protection Legislation. This clause 6.6 is in addition to, and does not relieve, remove or replace, a party's obligations under the Data Protection Legislation. The Supplier and the Customer acknowledge that, for the purposes of the Data Protection Legislation, the Customer is the Data Controller and the Supplier is the Data Processor in respect of any Customer Data (where **Data Controller** and **Data Processor** have the meanings as defined in the Data Protection Legislation)
- 6.7 Without prejudice to the generality of clause 6.6, the Supplier shall, in relation to any Personal Data (as defined in the Data Protection Legislation), or any part of such Personal Data, in respect of which the Customer is the Data Controller and which is processed by the

Supplier in connection with the performance by it of the Services (“Customer Personal Data”):

Where the Supplier is relying on laws of a member of the European Union or European Union law as the basis for processing Customer Personal Data, it shall promptly notify the Customer of this before performing the processing required by such laws unless those laws prohibit it from so notifying the Customer;
- (b) ensure that it has in place appropriate technical and organisational measures, reviewed and approved by the Customer if the Customer so requires, to protect against unauthorised or unlawful processing of Customer Personal Data and against accidental loss or destruction of, or damage to, Customer Personal Data, appropriate to the harm that might result from the unauthorised or unlawful processing or accidental loss, destruction or damage and the nature of the data to be protected, having regard to the state of technological development and the cost of implementing any measures (those measures may include, where appropriate, pseudonymising and encrypting Customer Personal Data, ensuring confidentiality, integrity, availability and resilience of its systems and services, ensuring that availability of and access to Customer Personal Data can be restored in a timely manner after an incident, and regularly assessing and evaluating the effectiveness of the technical and organisational measures adopted by it);
- (c) ensure that all personnel who have access to and/or process Customer Personal Data are obliged to keep the Customer Personal Data confidential;
- (d) not transfer any Customer Personal Data outside of the European Economic Area unless the prior written consent of the Customer has been obtained and the following conditions are fulfilled:
 - (i) the Customer or the Supplier has provided appropriate safeguards in relation to the transfer;
 - (ii) the Data Subject has enforceable rights and effective legal remedies;
 - (iii) the Supplier complies with its obligations under the Data Protection Legislation by providing an adequate level of protection to any Customer Personal Data that is transferred; and
 - (iv) the Supplier complies with reasonable instructions notified to it in advance by the Customer with respect to the processing of the Customer Personal Data;
- (e) assist the Customer, at the Customer's cost, in responding to any request from a Data Subject and in ensuring compliance with its obligations under the Data Protection Legislation with respect to security, breach notifications, impact assessments and consultations with supervisory authorities or regulators;
- (f) notify the Customer without undue delay on becoming aware of a breach of Data Protection Legislation in relation to Customer Personal Data;
- (g) at the written direction of the Customer, delete or return Customer Personal Data and copies thereof to the Customer on termination of this agreement unless required by applicable law to store the Customer Personal Data; and

- 6.8 The Customer acknowledges that the Supplier is reliant on the Customer for direction as to the extent to which the Supplier is entitled to use and process the Customer Personal Data. Consequently, the Supplier will not be liable for any claim brought by a Data Subject arising from any action or omission by the Supplier, to the extent that such action or omission resulted from Customer instructions.
- 6.9 The Customer consents to the Supplier appointing a third party as a third-party processor of Customer Personal Data under this agreement if it so requires. The Supplier confirms that it will enter with any third-party processor into a written agreement incorporating terms which are substantially similar to those set out in this clause. As between the Customer and the Supplier, the Supplier shall remain fully liable for all acts or omissions of any third-party processor appointed by it pursuant to this clause 6.9.
- 6.10 Either party may, at any time on not less than 30 days' notice, revise clauses 6.6 to 6.9 by replacing any part of them with any applicable controller to processor standard clauses or similar terms forming part of an applicable certification scheme (which shall apply when replaced by attachment to this agreement).
7. **Limitation of liability: THE CUSTOMER'S ATTENTION IS PARTICULARLY DRAWN TO THIS CLAUSE**
- 7.1 Nothing in the Contract shall limit or exclude the Supplier's liability for:
- 7.1.1 death or personal injury caused by its negligence, or the negligence of its employees, agents or subcontractors;
 - 7.1.2 fraud or fraudulent misrepresentation; or
 - 7.1.3 breach of the terms implied by section 2 of the Supply of Goods and Services Act 1982 (title and quiet possession) or any other liability which cannot be limited or excluded by applicable law.

7.4 The terms implied by sections 3 to 5 of the Supply of Goods and Services Act 1982 are, to the fullest extent permitted by law, excluded from the Contract.

8.4 Without limiting its other rights or remedies, the Supplier may suspend provision of the Services under the Contract or any other contract between the Customer and the Supplier if the Customer becomes subject to any of the events listed in clause 8.2.2 to clause 8.2.4 or the Supplier reasonably believes that the Customer is about to become subject to any of them, or if the Customer fails to pay any amount due under this Contract on the due date for payment.
