2. Basis of contract and Acceptance

- 2.1 The Order constitutes an offer by the Customer to purchase Services in accordance with these Conditions.

- 2.3 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.
- 2.4 Any quotation given by the Supplier shall not constitute an offer, and is only valid for a period of 20 Business Days from its date of issue.
- 2.5 Acceptance Tests shall test compliance of the Hosted Server with the Specification.
- 2.6 The Supplier shall run the Acceptance Tests and Acceptance of the Service shall occur when the Service has passed the Acceptance Tests. The Supplier shall notify the Customer when the Acceptance Tests have been passed.

The Supplier confirms that it will enter with any third-party processor into a written agreement incorporating terms which are substantially similar to those set out in this clause.
